SHE PICKS 'EM UP AND SUCKS 'EM OFF!

Bloody loved Vol.14 No.3, especially the picture of Simon from Swansea — just a shame there was no shot of his member! Believe me, your mag does wonders for us sex-mad ladies. In my case, though, I use "lady" in the loosest possible sense! There's nothing to beat a good fuck in any shape or form, and when I want it I just go out and get it — by giving men exactly what the hell they want!

A couple of months ago I was desperate for a good rogering, so I got myself all kitted out for a night on the pull. I may not have model proportions (32-28-38) but I know how to flaunt what I've got! I plumped up my tits with a black basque, slipped on a pair of black seamed stockings and a red thong that didn't even cover my bushy mound and capped it all off with a pair of red high heels. With a red silky blouse and black mini skirt that showed off my sussies, I looked in the mirror and thought I'd got the sex maniac look off to a tee!

I went to my local, which is a well-known pick-up joint, and could feel all the fellas' eyes on

TRACEY TRIES IT OUT!

OUR CUM-HUNGRY COLUMNIST IS READY FOR ANYTHING FILTHY!

Wotcha, cocks!

Or I'll watch 'em for you! Hiya, it's Tracey here again, sex-perimenting with some of your saucy suggestions! These pictures were taken in the kitchen after Cath from Cranbrook wrote in saying what fun she had heating up her hob with a variety of veg. She's had courgettes and cucumbers up her cunt so often her gash smells like a greengrocers, and she suggested I give it a go, too! Well I did, and here's my fruity fucking guide for girls who fancy a quickie in the kitchen. Yum!

TRACEY'S SUPERMARKET SHAG

Cucumbers — Cold and a bit sharp but nice and wide.
Carrots — Too rough for my little minge.
Courgettes — Big, fat and very fuckable.
Bananas — Firm but flexible, a real fruity fanny fucker.
Grapes — Good for eating out of my gash.
Celery — Tickle my arse with the leafy end and then.... oops, getting over excited again!

Tights Spot

But veg up the vag isn't the only thing I've been giving a go this month after David from Sussex wrote to me!

Dear Tracey,

I am obsessed with tights and would love to fuck you wearing them! You could be in waist high, sheer ones with a neat hole cut so your fanny bulges through. I'd then wear a pair as well with a small hole so my John Thomas pokes out (not that small I hope, Dave!). **I would rub the length of my prick along your cunt then tease your clit. Then I'd slide inside and fuck you hard, cumming up your lovely fanny till it drips down the nylon.**

David, Sussex

Shit, this is harder than it looks! I slipped on a pair of my barely blacks (I quite like tights too, especially the way they caress my cunt if I don't wear panties — which I often don't!). But cutting the hole was fucking impossible. I couldn't see what I was doing so I missed my minge and almost cut my cunt hairs off. I needed you to do it for me, Dave!

Then I can cut your cock a hole for you and suck you off, sliding my lips right down to the nylon, so you'll have to have lots of stamina for some serious shagging! I want you to fuck me till your spunk is running down my tights in rivers, Dave! Then, rip another hole open at the back and shove it up my shitter, rubbing the jizz into my nylon-clad bum! Sounds fun, eh?

★ *Hiya, Spunky Bollocks!*

A special mention for David of Gwent who

sent me a simply gorgeous snap of his dick and balls covered in his cock cream. Definitely worth a pair of my "stinking white panties" (as he calls them), frigged into fragrance thanks to your filthy photo (sorry I can't show it, it's too bloody rude to publish!). He says he'd love to french kiss all three of my holes then fuck me. Well, I've seen your glistening glans, mate, and I wouldn't mind a bit. But you'll have to make do with a pair of panties for now...

Anyone else got any filthy photos they'd like to send? My pussy dampened panties (personally soaked by my creamy cunt over your very picture) are on offer for the best — women can enter, too!

★ *In a Stu with Ruth!*

I always thought Leicester was a respectable place till I heard from Stu and Ruth! They write:

Dear Tracey,

Every month we wank ourselves silly over your letters. We'd love you to join us for a threesome, and we'd do everything possible to you.

You and I could have a lezzie session while Stu wanks off over us, then it would be my turn to frig my clit as Stu fucks you up both holes, one after the other. He'd slip his prick in your juicy cunt and I would lap away at your clit. Then he'd turn you over and insert his cock up your gorgeous arse while I dildo fuck your fanny. I would then lick all the lovely spunk out of your wet arsehole. Good fun, eh?

Keep fucking, you sexy shag queen!

Ruth and Stu, Leicester

P.S. If you print this, we promise to tell you more of our horny experiences!

Well, guys, you've gotta win the award for the letter that got me the hottest! The thought of being shagged up the arse by a nice big cock while you went to work on my widget was so

wonderful, I'm gonna have to have the duvet dry-cleaned! My fingers were a blur, imagining feeling that full. And as for having your teasing tongue working away at the pink puckers of my jizz-juiced brown-eye — wooo!

Please tell me more. Send pictures! My pussy can't get enough of you two! Oh, and next time, send me your address, and something extremely saucy will be in the post!

Oh God, my cunt is boiling over again! I'm gonna have to nip back to the kitchen and fetch my big cucumber and fuck myself senseless! Please keep sending your letters, they make me so fucking horny, I hope you wank over them as much as I do. Whether it's what you want to do to me, filthy photos or things you'd like me to try, I want to give it a go or frig myself silly at the thought — and there's the very panties I pour my puss juice into as a reward! So give it to me straight, boys. Write to Tracey, Razzle, 2 Archer St, London, W1V 8JJ — go on, try and shock me. Betcha can't!

Hanky Spanky

Finally, Dave (another one!) of Essex writes in about the fun he's having with his neighbour, Diana. He says he likes to put her over his knee and give her a good spanking (not too hard!). Oh, Dave, I'm so jealous! I love playing the naughty little girl and pretending to be all silly. Imagine taking my clothes off, slowly, then bending me over. That's it, lift my short pleated skirt up and give my bum some punishment — then lick my arse-hole better! Ooooh! Six of the best from your cock and I reckon my poor bum will need some cream to soothe it — yours preferably!

me as I wiggled in. I felt good with my tight skirt stretching across my big bum, and when I put a ciggy in my mouth this dishy bloke reached over to light it for me. Works every time!

From the way Paul was talking, it was clear he knew I was on the pull, and that got me randy as hell. I didn't do anything to put him off, and after he bought me a couple more large ones I suggested we go off on our own.

He didn't need asking twice, and back at his flat he poured me another drink and nipped into the bathroom. While he was gone, I pulled off my blouse and skirt and waited, and as I was feeling so horny I couldn't help giving my hairy pussy a little rub.

When Paul came back, we snogged, and he asked me what I wanted him to do. It turned out he liked to be dominated, and I get a real kick out of being in control when I'm fucking, so I ripped off his clothes and knelt down to give his cock a suck. He was ready to come after about a minute, but I wanted to save his spunk for a fuck so I took off my soggy panties and sat in an armchair with a leg over each arm, and ordered him to get on his knees and taste me.

"Yes, miss," he grovelled, and getting on all fours he started giving me the cunt-licking I needed, his tongue

CLAIR

Copper knob-sucker Claire reckons redheads are red-hot in bed, and has gingered up many a man's sex life to prove it! "I'm fucking insatiable, me!" says the 22-year-old Teessider. "I can take cocks up me cunt, in me mouth, up me arse, anywhere, and as often as you can get it up! My dream is to have a cock in every hole that can take it, even one in each hand spurting their spunk over my tits for you to rub in. I want to feel really *fucked* when we've finished! You gonna need a lot of energy to fuck me — or a lot of mates! You on?"

sliding around my creamy slot until I shuddered and gushed my first orgasm over his face.

Next thing I knew I was squashed into the back of the chair with his meaty prick riding up and down my cunt until I came again. Then I really lost control and pushed Paul onto the floor and got down to giving him a sensuous deep-throat blow-job. If there's one thing I love it's the seedy taste of my own love juices on a throbbing knob that's just about to spurt sperm down my throat! I turned round and ground my dripping cunt onto his face, and when I probed the tip of my tongue into his one eye, Paul finally shot his sticky load into my mouth. Fuck, I love that feeling! Luckily, Paul was a repeater and we spent all night shagging and giving each other horny oral.

I never seem to be able to get enough of it, and I can't wait for my next adventure as a fuck-happy tart! And who knows boys, maybe the next girl who asks you for a light and a drink could be me!

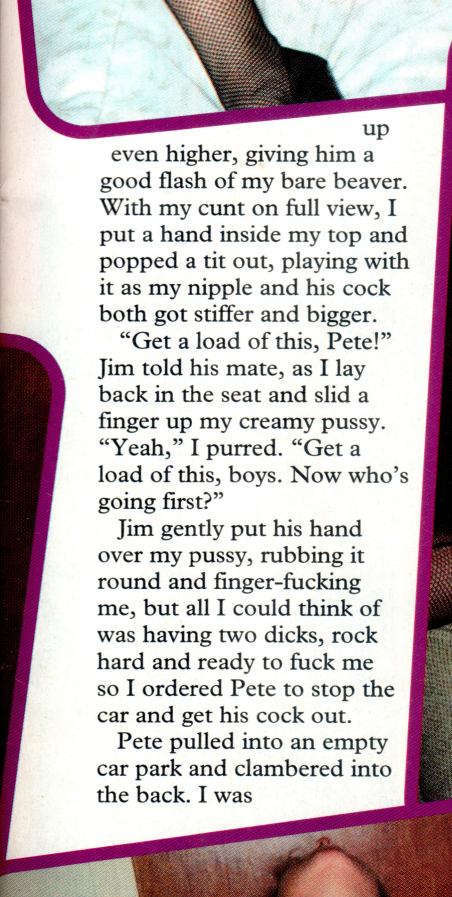
BACK SEAT BLOW-JOB!

After reading the horny letters in this month's *Razzle*, I just had to write and tell you about a fantasy of mine that has become reality, and has been keeping me wanking my cunt sore ever since.

I met Pete and Jim at a friend's party and when they offered me a lift home as I was a bit pissed, I climbed in the back with Jim while Pete drove. I always get excited around men (especially after a few!), and as my skirt rose up my thighs with the movement of the car, I realised just how randy I was getting.

Jim was staring at my lacy stocking tops, and as my pussy wetted up, I hitched my skirt



up even higher, giving him a good flash of my bare beaver. With my cunt on full view, I put a hand inside my top and popped a tit out, playing with it as my nipple and his cock both got stiffer and bigger.

"Get a load of this, Pete!" Jim told his mate, as I lay back in the seat and slid a finger up my creamy pussy. "Yeah," I purred. "Get a load of this, boys. Now who's going first?"

Jim gently put his hand over my pussy, rubbing it round and finger-fucking me, but all I could think of was having two dicks, rock hard and ready to fuck me so I ordered Pete to stop the car and get his cock out.

Pete pulled into an empty car park and clambered into the back. I was naked and crushed between two guys with their long veiny cocks out and their hands all over me, and I loved it! I really started panting as Pete filled his face with my tits. Jim opened one door and got on the floor so I was half hanging out of the car with my legs over his shoulders while he licked me out. Dead comfy!

"God, you taste gorgeous," he slurped as he greedily sucked on my fat clit, flickering his tongue round my furry cunt lips and into my leaking hole. I was bucking up and down, pushing my flaps into his face until he couldn't take it any longer and wriggled up to me and offered me his hot cock to suck. I gobbled it down and sucked and wanked him until all three of us couldn't take any more.

Pete groaned first and splashed into my mouth, sending a jet of lovely cream flooding down my throat. My pussy was so wet and open that when Jim's big swollen cock head touched my flaps, his whole length just slipped in. He held onto my shoulders as he pumped in and out, forcing screams of pleasure out of me with every thrust.

"Fuck me! Fuck me you bastard! Fuck me!" I screamed, going mental for more cock. I crossed my legs round his back as he fucked my snatch and I dug my heels in as his body tensed and shuddered and he filled my pussy brim full with sperm.

Of course, I was ready for more, and so were the two dirty fuckers I had at my mercy — once I'd cleaned their cocks with my tongue and got them hard again! Ten minutes later, I wanked them both off into my mouth. Then they drove me home and we did it all over again and they took these photos of me with their sperm dripping out my cunt. Hope you like me as much as they did!

HOUSEWIFE FUCKS TWO COCKS!

I had to write in for the first time to satisfy my hubby because he still gets a monster hard-on just at the thought of the outrageous incident that I enjoyed last summer!

After years in the army, my hubby, Tony, was back on civvy street and to celebrate his freedom, we went out with some of his mates. Sure enough, we got rat-arsed, and even though I was looking forward to getting bonked out of my brain, Tony was just too pissed and had to be carried inside by his mate, Dougie.

Dougie and I went into the kitchen to make some coffees, and to have a bit of a drunken grope, and when we went back into the living room, Tony was on the floor, leering over the open pages of our very private photo album and dribbling like

OUR FOAMING FANNY FLOOZIES RAZOR FEW COCKS AT THE BEAVER BARBERS!

Jillette's, Britain's first batty barber, is the best a girl can get! Our porky pubic hair dressers are only too happy to grab a girl by the short 'n' curlies and give her quim a trim. But our shaver ravers' speciality is shearing off silken twatty tresses, getting them in a lather and giving cunts a Kojak!

First, they fill their customer's cranny with fluffy foam, working it well into every crease with their nimble fingers, then they whip out their Fannishaves and carefully follow their cunny contours, stroking away until the foam and fanny hairs are razored away. It's a never-ending task 'cos our dollies' digits are so deft, their customers' cunts produce fanny foam as fast as they can wipe it away. But eventually they're left with pretty pink pussies as smooth, kissable and lickable as their beautiful bare boobs.

To test their handiwork, our horny hairdressers can't resist slipping their tongues over the super-sensitive snatch skin. That just has their clean-shaven clients foaming all over again, so there's a lotta licking to be done before they slip the naughty girl's knicks back over their slippery slits ready for their first fur-free fuck.

So, if you like your bird's beaver au snatchuelle, send her along to Jillette's. It's a hole new ball game!

an idiot. Maybe if I'd have been sober, I wouldn't have acted like such a tart, but my inhibitions had flown out of the window, and when I saw the lustful look on Dougie's face, I bent over to pack up the album (Tony had passed out again) knowing full well that the tops of my firm thighs and skimpy knickers would be right in Dougie's face.

As I stood up, Dougie's hand snaked round to grab a handful of my tits as his other caressed my arse cheeks and wiggled inside the tiny strip of material that was my excuse for a pair of knickers.

I surprised myself with just how desperate I acted, but Dougie obviously liked it. I leaned back against his chest, and with Tony unconscious at our feet, I tipped my head back so I could really snog him as his fingers set my body tingling.

We stripped off, frantically touching and kissing each other until I was in just my heels, stockings and push-up bra. I was acting like I hadn't had it for weeks, and when I got hold of Dougie's massive horn, seven inches long and fat with it, I dropped to my knees and took it into my mouth, stretching my lips as wide as I could to take in his huge girth.

I was slurping up and down, sucking him and trying to get his spunk out, but Dougie wanted to finish off differently. He eased my face off his cock

Then I just have to lick all the lovely stuff off his cock and balls, getting it hard again in time for a good gobble! Guess I'm too expert to be a virgin!"

and turned me round so I could support myself on my hands. I was trembling with anticipation as I felt his penis rubbing up and down my sloppy pussy lips before being shoved right into my cunt.

I haven't had a lot of rough sex, but right then, it was exactly what I wanted and I humped my bum back into him so his whole length was ramming up me. Dougie had his fingers wrapped in my hair, pulling my head back and riding me like a stallion, fucking my soft cunt with long, hard strokes that had me biting into the cushion as I climaxed, just as he held onto my hips and sprayed his spunk up me.

Dougie withdrew and I almost jumped out of my skin when a pair of hairy thighs straddled my hips and a hard cock slid easily up my wet quim. It was Tony! The bastard had been faking and had been watching me getting screwed by his best mate before jumping on for sloppy seconds — and I mean sloppy! I was gushing with spunk and cunt honey, and I could only take a minute of Tony's rutting before I came again. Tony pulled out, and I thought it was all over, but the best was yet to come!

Tony turned me over, and held my knees wide apart and lined his greased-up cock with my tight bum ring and slowly pushed home. I would have cried out, but he covered my mouth with a passionate kiss and went on to give my virgin arse it's first real fuck. It was bloody wonderful, getting my pussy and bottom rogered by two hunky ex-soldiers! Well, just look at these pics of me, boys, couldn't you do the same to me?

We didn't get much sleep that night, I can tell you, and Tony said he couldn't have hoped for a better welcome back to civvy street!

KEEPING HIS END UP!

Wotcha, Razzlers! Got a rude one for you here! My hubby and I were really good friends with Dave and Sheena, but when she left him, he got really low. We wanted to do something to raise his spirits, and Jack eventually came up with an idea that left us all smiling!

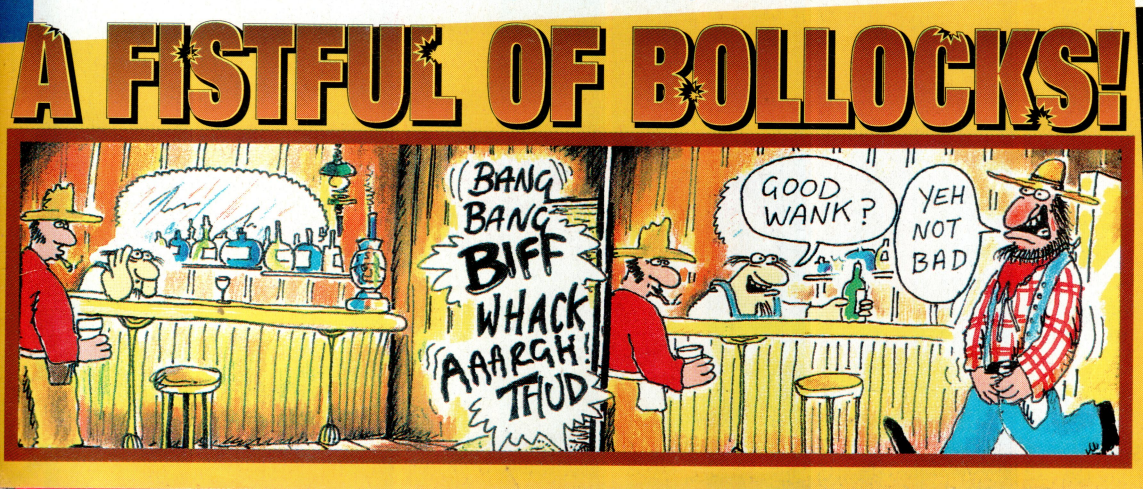
After some careful planning, we asked Dave round for dinner and I dressed specially in a Wonderbra, a see-through blouse and a skirt that was much too short.

Dave was certainly impressed, especially as I spent the first part of the evening flirting with him, bending over so he couldn't help but see my arse, without knickers of course, and rubbing my tits against him every time I passed him.

Eventually, Jack made some crappy excuse and left us alone. I sat opposite Dave and slowly crossed my legs, making sure he saw my pussy that was so plump and wet from all my flirting.

He tried to hide the bulge in his trousers, but I wanted as much of it as I could get! So I sat beside him, put one hand over Dave's crotch and felt his prick suddenly twitch and grow as I gave him a long wet kiss. God I wanted his prick pushing hard inside my pussy! I pulled down his zip to release his pent-up meat and began to wank him.

Dave slipped a hand up my tight skirt and massaged my rounded pussy with the palm of his hand. I chugged furiously on his wire, and before I knew it, he'd spunked up all over my



hand and blouse.

"Oh dear," I teased, "I'd better put this in the wash!" I took off my top, and thought I may as well get rid off the skirt too and stood, legs wide apart, in front of him. His cock was still dripping, but bobbed up again as I slipped down the cups of my bra to let my tits fall out. I ran my hands

over my rounded breasts and teased my nipples so that they got all hard and erect. Dave was wanking his cock, which always gets me excited, and by the time my fingers worked over my tummy to my wet, hairy slit, I was ready for a proper screw. I bent my knees slightly to make my clit pop out and whispered to him:

"How about licking this?" I asked, and Dave practically threw himself on the floor to get his face in my fanny. I clung onto his head as his tongue played and sipped at my clitty, occasionally flipping deep inside and making my cunt hole widen and drip. Dave reached up and tweaked at my nipples and with a rush through my body, I felt a right knee-trembler coming on, and ground my muff into his face as I climaxed onto his lapping tongue.

It took a couple of minutes for my head to stop spinning, and then I laid him on the floor, wanking him off and sucking the big, leaking head of his cock. I sucked as hard as I could and

toyed with his hairy balls. As much as I was turning him on, I must admit that I had never felt as horny

Alice from Bristol and her ever-cumming cunt is this month's winner for getting her finger out and sending us this sexy sticky story!

Dear *Razzle*,

Can you help me? I can't keep my hands off my cunt! My slippery slot is so juicy all the time I can't resist slipping a finger inside and flicking my clitty till I cum!

It doesn't matter when I'm doing the dirty at home right now, sliding my fingers inside my sopping satin panties, between my pink love lips and into the warm, wet, welcoming slot that is my ever-damp fanny.

But now I do it in public as well! I work in a building society and I got a real thrill running a hand up my skirt, sliding it inside my tights and panties, and stroking my snatch while I sat there serving customers. It was hard keeping a straight face, but the uniform and my formal make-up helped a bit.

Now, even that isn't enough. I've plunged my hand deep into my clammy cleft on the train, the car, and even in Lilley & Skinner's doorway! And once I've started I can't stop till I've brought myself off, cum running down the inside of my tights, the damp gusset a sticky reminder of how naughty I've been. I don't even try and hide it any more! My head rolls back and I groan and moan as my long fingers tease my pre-cum-coated clitty till I gush into my gusset again.

And it's getting worse. Now I'm secretly hoping I'll get caught wrist deep in my cunt, cum oozing over my fingers, mouth open and drooling like the insatiable tart I am. I'd love to plunge his hand — or his face — deep into my soaking satin panties or the cum-drenched crotch of my tights. I know I'm gonna do it some day. It could be you!

Do your readers think I've got a problem? I want to know. But don't tell my hubby. He thinks I'm a respectable bank clerk, not a fanny-frigging exhibitionist!

Hi! My name's Lisa and I'm just 19 years old. For the last 15 months or so I have been living happily with my boyfriend Tom, but since my little adventure I now need loads of lezzie fucking to keep my cunt really happy!

I reckon I first started fancying other girls when I was still at school and I saw the other girls stripping off for showers after games. But I guess it wasn't until I left school and started working for a bank in London that my private little sex fantasies started coming true!

I'd been working at this boring bank for about a year when Kerry joined. She was one of those women who just oozed sex appeal. Everything about her made my cunt gush; the way she smiled, the way her bottom wiggled as she walked, her big tits, her deep husky voice. Fucking fanny magnet or what! And I wanted it to be my fanny!

One Friday night, after a long week, Kerry invited me out to a local wine bar after work. I knew Tom, my boyfriend, was going out drinking with his mates so I took her up on her offer. When we got there later, the place was buzzing. It didn't take long for the alcohol to work and pretty soon we were talking about getting our oats.

"You're so lucky having Tom," sighed Kerry, "all that regular sex!"

"Yeah..." I replied, "but I'm bored. I want to have a fuck with someone new. I'd even fuck a woman..." I added, testing the water.

"Yeah, me too!" confessed Kerry. "Fuck knows, I might have to if I can't find a bloke soon. Anyway, stop talking about it, you're making me feel all horny."

"Let's dance, then," I smiled, knocking back my drink. "It'll take your mind off it!"

"A gush of her cunt juice spurted out and I swallowed it down"

We started giggling when we realised how pissed we were, and Kerry grabbed me round the waist and started dancing really close to me, her tummy and fanny rubbing against mine as I put my arms on her shoulders and gently stroked the soft nape of her neck. I could feel my pussy juicing up as we pressed against each other, our hard nipples now touching and our hands stroking each others' backs. I desperately wanted to let my hands drop to her arse for a good grope but I knew that wasn't the sort of thing two girls did in public!

Finally, Kerry whispered, "Come on,

"...I got my first lezzie licking out."

"I drank down Kerry's cunt juice..."

let's go back to your place."

We left the bar and hailed a taxi, and when it pulled up outside my flat a little later, I was fucking relieved to see there were no lights on, so Tom wasn't home yet. We fell through the door in each others' arms, our hands stroking all those intimate parts we'd had to resist in the wine bar. We kissed properly for the first time, our tongues hungrily exploring the inside of each others' mouths.

"Are you sure about this?" I panted, pulling Kerry's blouse out of her skirt and sliding my hand underneath until I felt the smooth material of her bra, and her huge tits rising and falling underneath. As I slipped my hand inside the front of her bra, I felt her nipples become hard and erect.

"I've wanted this for ages," she whispered huskily, "but I thought with Tom on the scene and everything..."

"Sssh!" I whispered, covering her mouth with mine again and kissing her passionately. We stumbled into the lounge and I pushed Kerry on to the sofa, then slid her skirt over her hips and down over her satin knickers and stockings. The sight of the rise of her hairy cunt beneath the soft, silky material made me feel so horny. This was a dream come true and I began to stroke Kerry's pussy gently through her knickers as I lay down beside her and buried my head in the soft creamy flesh of her heaving jugs.

"Suck my tits, you bitch!" she murmured, shoving my head between them. Initially, I nibbled them gently but as her breathing grew faster I sucked them harder and harder until they became erect and I felt her panties get damp with cum juice.

"Let me lick that wet pussy," I whispered, and Kerry closed her eyes as I began to ease her knickers ever so slowly down over her hips, stopping so that they rested just above her knees. That way she couldn't part her legs and I knew it would drive her wild when she wanted to orgasm. I held her knees firmly open and began to nibble the skin around her fluffy, dark pubic hair, now and again running my tongue all the way up her thighs. She was crying out with her mini-orgasms as I deliberately avoided her mushy cunt, but when I finally touched her clit with the tip of my tongue Kerry grabbed my head and locked her legs around my back, bucking her muff up into my mouth as she came.

My cunt was juicing up a treat as I carried on licking the delicate pink folds of her fanny and pushing my tongue hard into her hole. Then I took her knickers off proper so her next orgasm would be even bigger. Her legs free at last, Kerry spread them as wide as they would go and pulled my head roughly down to her crotch again so that my face was completely buried in her pussy hair. As I let my tongue glide over her wet labia, a gush of her fanny juice spurted out and I swallowed it down, enjoying the taste of the sweet warm fluid as it trickled into my mouth.

I could have stayed with my head buried between her legs forever but Kerry suddenly pushed me over onto my back and started frantically kissing me and gently stroking the inside of my thighs, my legs parted slightly and warm liquid dribbled out of my vagina onto the sofa.

"God, you're gorgeous," she moaned, lowering her head so that she could suck my tits and rub my clit with her index finger, gently at first and then more quickly with wider and wider circular motions so that more and more of her hand slowly slid up my pussy.

"Oh yes, yes!" I cried as Kerry inserted four fingers into my wide open cunt and poked me hard, pushing her fingers up as far as they would go and feeling every inch of the inside of my fanny. I felt my cunt squeeze back on her in response and I let out a huge groan as she inserted another finger. She teased and prodded me for ages until at last I felt her move her mouth down to my pussy and she began to flick her tongue over my clit, her fingers still buried deep inside my cunt. That was it; I completely lost control and thrashed about like mad as I screamed and screamed in ecstasy as one of the most intense orgasms of my entire life shot through me.

"...then let her lick me out till I came!"

As my body gradually stopped moving, Kerry let her tongue just lie on top of my sopping pussy, still sending tingles down to my toes and right to the tips of my nipples. When I finally lay still she flopped down next to me and turned me towards her. We lay like that for a long time, not saying anything, just stroking each others' sweaty, cum-soaked bodies.

Since that experience with Kerry my love for a bit of carpet munching has grown even stronger, and the best thing is my Tom says he doesn't mind a bit — just as long as he can join in!

My best time...

Hi! My name's Samantha. I'm a 20-year-old dark-haired, big-boobed sales girl who works in a travel agents and I spend all my time dreaming about horny foreign fucks with all the lads I send away to the Costa Brava in the summer. The thought of them gently rubbing suntan lotion all over my tits, then fingering my fanny before slipping out of their tight trunks and... oops, there I go again!

I'm not always day-dreaming. Sometimes I get the shagging I'm gagging for, which is just as well because most of the time I'm aching for a fuck so badly I'm about ready to explode across my desk. And that would make a bit of a sticky mess on all those glossy brochures!

Anyway, two weeks ago I was preparing to spend another dull Saturday afternoon at work. I was the only one in the shop and I was a bit pissed off 'cos while I was sat there all my mates were out on the town buying sexy new dresses and lining up guys to go clubbing with.

So I'm leafing through this naturist holiday brochure, thinking about all these blokes wandering around with their cocks hanging out, when in walks this guy about the same age as me. He was wearing a leather jacket, a white T-shirt and his tight, tight jeans were bulging uncontrollably at the groin. My eyes were drawn straight to his huge packet and I felt one of my day-dreams coming on (you know, the ones that leave a girl with sticky panties!).

> *"He groaned and his balls spurted his salty spunk into my mouth"*

"I fucked this hunky fella at work..."

He picked a couple of holiday brochures off the shelf and flicked through them.

"Could you help me?" he said, smiling as he sat down in front of my desk. I could help you get that cock out, I thought to myself! I was going decidedly gooey down below and all I wanted to do was run off to the toilet and have a damn good wank, picturing him rolling his prick around my cheeks as it spunked all over my face. I closed my eyes for a second and thought of myself, skirt pulled up, legs wide apart and panties pushed to one side as I rubbed my fingers back and forth over my cunny lips, my juices bubbling out over to my hand.

"Right, where do you want to go?" I replied, coming back down to earth.

"Oh, somewhere hot and sticky would be nice," he grinned.

"I've got just the place for you," I giggled, and grabbing his hand I led him through the shop and into our storeroom out the back. I kicked the door shut behind me then pounced on him. He wasn't quite sure what had hit him when I threw my arms around his

neck and started snogging him, spreading my legs and rubbing my aching clit round against his erection. He soon got the hang of it and started kissing me back and grabbing handfuls of my arse for a squeeze. It hit the spot straight away and I threw back my head and gasped out loud as an orgasm coursed through my fanny, making my legs buckle.

Stu started to lick my neck and frantically I ripped off his jacket and shirt. I wanted his cock in my mouth desperately so I slid to my knees and quickly unzipped his jeans. As I whipped his boxers down his huge purple knob sprang out, smearing a glistening trail of semen across my cheek.

I flicked my tongue across the tip of Stu's cock, tasting his delicious salty pre-cum juice before slowly lowering my open mouth onto it. Stu was straining to push it all the way down my throat and I was so horny I let him. He ran his fingers through my hair and then pulled my head on to his cock and pumped away until his balls were slapping against my chin and I was really deep-throating him, sucking away at his length as he fucked my mouth, groaning as he rode my face to a climax.

I slurped harder and harder on his shaft. Then he groaned and his hairy balls flooded my mouth with streams of warm, salty spunk, pumping waves of the sticky stuff down my throat. I swallowed it all, then licked Stu's prick clean as he finally slipped it out of my sperm-smeared lips.

"Thanks Sam," he said gratefully, panting as he got his breath back.

"Now you can do something for me," I said hitching my short black skirt up around my waist, "I want you to fuck me."

Stu took my slim, shapely body in his hands and turned me round so he was behind me and his prick was pressed up against my bum. Then Stu unbuttoned my blouse and slid his hands up under my bra, cupping my boobs. Then he rubbed my tits round and round, kissing the back of my neck and massaging my nipples with his fingers until they were hard and erect. I was so close to coming, it was unbelievable and he hadn't even put his cock into me yet!

"My pussy..." I begged. "Put your fingers in my pussy." Stu stroked his hands down over my thighs and as I pushed my tight curvy arse against his bulge, arching my back in ecstasy, he slipped my black panties down over my thighs — they were so wet they left a trail of cum on my legs — to reveal my beaver.

Moving his hands round between my thighs, easing my legs open, Stuart pulled my pussy lips wide apart and slipped two fingers up my sopping wet cunt. They went in easily and he slid them in and out a few times to open me up ready for his cock, using his other hand to rub my bud until I was moaning like a bitch on heat and pleading with him to fuck me.

Stu's cock was growing hard again and I could feel his warm length push at my arse cheeks. He crouched down a little so his tool bobbed between my legs then he pulled my pussy on to it, holding my lips apart with his fingers and pushing his knob up between them. He eased the first inch of meat in gently, then with a push of his hips he rammed the entire length up me.

Rocking back and forth, Stu built up a steady rhythm, shoving his cock in and out of me, increasing the pace as I moaned louder and louder. All the time his hands were grabbing my tits and sliding down onto my clit which he fingered as he fucked me, driving me closer to my climax. Our bodies were slapping together, both of us sweating as he screwed my cunt and when he slipped a couple of fingers up my arse I came and screamed out loud as I bucked on his hard-on, grinding it between my legs until, shoving his dick forward, Stu shot his second load up me.

Once we'd got our breath back, I lay on the floor and treated Stuart to a tit-wank, rubbing my breasts around his sticky cock and opening my mouth to tease him until he spunked across my tits and over my face. Then he licked my gash out, giving me another orgasm, before shafting me in a pile of old holiday brochures!

After that we ended up booking a holiday together — I thought if I'm going to get fucked this much I might as well get a tan while I'm doing it! So this summer if you're walking along the beach at Benidorm and you see a pair of legs up in the air and an arse bouncing about between them, say hello — it'll probably be me and Stu!

in my life either and gratefully mounted him, dropping my hips onto him from a height so his lovely horn curved all the way up to his bollocks into my hole.

Dave bucked his hips up as I rode him, and he moaned as his dick pumped out more spooge, but like the star he is he kept on humping until I came again.

I took him off to the bathroom and finished his treat with a lovely bubbly bath. Dave has told Jack and I that we cheered him up no end, but to be honest, I had the time of my life too! I can't wait to re-live it with Jack when this and my photos appear in *Razzle*! Cheers!

LUCKY FUCKER!

I get great pleasure from reading the stories in *Razzle*, and I'm turning myself on just writing in! My man works away from home most of the time which leaves my cunt unloved and in constant need of a good screwing.

One night I decided enough was enough, so I put on a tiny button-through dress without a bra or knickers and, making sure I had enough buttons undone to tease the guys with my bald pussy, headed off to get myself some adult fun.

Down at this club, I spotted a group of lads eyeing me up,

LEZZA'S CORNER!

Two new tuppence lickers for lezbo lovers! Clare and Mel, two part-time dykes from Darlington, told us they're just as happy cramming their cracks with dicks or dildos, and reckon their tongues are more talented than any mere bloke's! "Lapping Clare's cunt lips and licking her clitty has turned my tongue into a full-on fuck machine," says Mel. "It can tickle your balls, stroke your shaft and run round your knob till your spunk is spurting like a sprinkler. And Clare's lips could suck start a juggernaut! Here, we'll show you..."

and locking eyes with one, I seductively licked my lips and uncrossed my legs, giving him a glimpse of my snatch. That did the trick, and over he strolled.

His cock was visibly straining against his jeans, and my pussy was getting juiced up at the thought of what was bound to happen. I took his hand and whispered that I wanted to take him home and let him fuck me stupid!

Walking home took longer than usual because Gary just couldn't keep his filthy hands off me, I'm glad to say! He had one hand up my dress, already slipping in and out of my wet fanny, and when we got to my flat I went off into exhibition mode, stripping off and dancing seductively for Gary. I always touch myself all over when I'm masturbating and was rubbing my naked body all over, pinching my nipples and slowly rubbing my clitty right in front of him. I inserted a couple of fingers and pulling them out, made Gary lick them clean. His cock was bulging in his jeans and when I finally got it out, went straight down on him, licking his swollen tip and when I had my lips locked round the base of his tool, he reached down to squeeze my breasts.

When Gary shot his load down my throat, my cunt was absolutely aching to be filled up, but to tease him even more, I made him hold off and take these naughty photos! Do you like them?

I couldn't wait any longer for a good fucking, and I offered up my arse for Gary, telling him I wanted him in me. Thank fuck he didn't hesitate and plunged straight into my bald pussy, putting one hand round to tease my clitty and another up my sweaty arsehole. My orgasm finally shuddered through me and ten seconds later Gary whipped his penis out and squirted his warm spunk over my arse.

Fucking brilliant night out and I can't wait to do it again to some other lucky fucker!

Suzy, Northants

DO YOU HAVE A SEX PROBLEM YOU'D LIKE SORTED BY OUR RESIDENT SAUCY SECRETARY? THEN LET WENDY HAVE IT! EVERY MONTH SHE'LL SHOW YOU IN WORDS AND PICTURES THE BEST WAY TO GET A STIFFY!

WENDY LENDS A HAND!

Dear Wendy,

My new fella got pissed last week and told me he's really turned on by feet. Fucking hell! I mean, what am I supposed to do to get him going? You're a woman of the world. Tell me, how I can tease his todger and get the fucking of my life!

Jasmine, Stockport

You'd be amazed how many men like female feet, Jazza! Whether its teasing toes, painted piggy nails, shining stockings or spiky stilettos, here are just a few things that'll have his cock up your cunt quicker than a rat up a drainpipe:

1

Get yourself some seriously sharp high heels! Like blokes' boners they should be six inches at least and make you stagger! If he can take it, walk across his back in them or run them down his thighs as he fucks you. If he's crap, jab one up his arse.

2

Thigh boots are cheap at the moment so get yourself a pair and wrap them round his neck. When he's tonguing your cunt, squeeze his face with the PVC to pull him into your pussy till he can't escape!

3

Slide your sheerest nylons up and down his cock (while you're wearing them, of course) and wank him off. When he's spunked over your stockings, make him lick it up, or slip it off his head, so he smells it as he shags you!

4

Painting your piggies is a pain in the back, so get your guy to do it for you. If he's a serious foot baller he'll have a stiffy before he finishes. Let him blow them dry with his mouth, then tell him to suck each one in turn before he fucks you...

5

Make him massage your smooth feet and lick the length of your poor tired tootsies with his tongue. After a hard day in your courts or a long night bopping in your platforms, his tongue will be so refreshing it'll have your pussy mushy as quick as his cock hardens!

6

Finally how about a toe sucking 69? If he's got half decent feet, suck his toes while he sucks yours, then slide his cock in your slot at the same time! If his plates pong use lots of lippy to take the taste away!

Do you have a pervy poser you'd like answered by our sex-mad sec? Then simply drop us a line to me at Wendy Lends A Hand, Razzle, 2 Archer St, London, W1V 8JJ. I'm looking forward to hearing from you...
